

Sponsored Bounce Friday 14th February

The PTA are running a sponsored bounce on the morning of the 14th February to raise money to purchase new learning materials for the Infant school.

Each child will have the opportunity to bounce and be timed for one minute. A record of how many bounces they do will be recorded and they will receive a sticker at the end with their result on.

Please support this fun fundraiser by sponsoring and asking friends and family to sponsor your child. Sponsorship can either be per bounce or as a total sum. Every little helps so please sponsor as much or as little as you can.

Please find sponsor form attached. Many thanks in advance for your support.
