**"SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD"**

---

17<sup>th</sup> April 2024

Dear Parents/Carers,

As part of our continued commitment to ensuring that we have a robust and effective approach to protecting and educating everyone within our school community when on-line, we have signed up to a new digital safety package. This service is provided by West Sussex County Council and allows us to invite you to watch a webinar which covers some key aspects of children being able access an online environment. The webinar is called "Staying Safe Online".

The webinar aims to cover the following topics;

- What are children doing online?
- Identifying risks that children may face when they are online
- Identifying ways in which parents/carers can support their children to keep themselves safe online
- Signpost parents/carers to where additional help/support can be found
- Show parents/carers how to report concerns.

The webinar is not live, therefore can be accessed at anytime and can be revisited anytime.

The link to this webinar will remain active until 1<sup>st</sup> April 2025.

We trust that you will find this webinar of some use to you and your families.

Further information about how Nyewood CE Infant School aims to provide support, education and safety in relation to being online can be found in our Online Safety Policy which is available on the school website, or from the school office.
