**“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”**

8<sup>th</sup> January 2020

Dear Parents and Carers,

As part of our learning next Spring Term ‘To Infinity and Beyond’ with a focus on space, we would like to invite all children and their families to come into school on Monday 27<sup>th</sup> January 2020 from 5.15 - 5.45pm for an evening of stargazing.

This stargazing experience will involve looking into the night sky with your child to see if you can see the moon and the stars. We will talk about the different constellations we can see over a cup of hot chocolate and a biscuit.

We have found some exciting free Apps to support our stargazing. If you are able to, please download these to your devices prior to the event, for your children to explore on the night. Apple users could download the App ‘Sky View Lite’ and Andriod users could download the App ‘Star Walk 2’.

If you would like to attend this event, please complete the attached reply slip and return it to the school office by 20<sup>th</sup> January 2020 We look forward to seeing you there for what promises to be a fun evening. As this event is outside there is no limit to the numbers that can attend. However, if the weather is poor or the sky cloudy we will have to cancel.

Thank you for your continued support,

The Nyewood Team

.....

## **Stargazing Evening 27<sup>th</sup> January 2020**

I will/will not be attending the star gazing experience on Monday 27<sup>th</sup> January 2020.
