**“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”**

---

10<sup>th</sup> January 2020

Dear Parent/Carer

### **Hot Meal Day**

Our Hot School Meal Service is designed by nutritionists to provide a healthy, balanced meal to meet national standards, it's also proven to save up to **£400 per child, per family, per year** when offset against the price of an average packed lunch. On Thursday 16<sup>th</sup> January 2020 the menu will be beef burger in a bun with chips or veggie nuggets with chips. Every meal is served with baked beans or a salad option, followed by a choice of desserts.

We are going to ask all children who have a packed lunch to join the lunch queue and try any part of, or all of, the meal on offer. They may just choose to have dessert, if they wish. They may even choose to have just a bite of something! After making their choice of absolutely anything, they will take this to their seat and enjoy their choice alongside the lunch box you have provided.

After school, please talk to your child and maybe consider opting for the hot meal service. You can choose to take the meal on any number of days or on the days when your child would enjoy the menu choice. Last term when we tried this the children's view of the meal was very positive.

If you have any further questions, about this please come in and talk to the front office team.

Yours sincerely,

Miss Anna Wells
