“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”

Tuesday 21st April 2020

Dear Parents/Carers,

I truly hope that you are all well and that the current situation, although challenging, is opening up new opportunities for you to explore as a family and develop your children's life skills.

While staying at home due to coronavirus you may be worried about your children's development and the impact of missing school.

We don't expect parents and carers to act as teachers, or to provide the activities and feedback that a school would. Parents and carers should do their best to help children and support their learning while dealing with the competing and new demands of everyday life. Be assured that we will be doing all that we can to help our children make accelerated progress on their return to school.

I thought I would provide you with some updated resources to help you at home both with home learning and keeping your children safe on line.

You can access specific advice on how education can continue at home for your children using the following links:

<https://www.gov.uk/guidance/help-primary-school-children-continue-their-education-during-coronavirus-covid-19>

If your child has Special Educational Needs or a disability further information can be found at

<https://www.gov.uk/guidance/help-children-with-send-continue-their-education-during-coronavirus-covid-19>

As always the safety of our children is paramount and it is important to have regular conversations about staying safe online and to encourage your children to speak to you if they come across something worrying online.

The following links provide useful guidance and tips.

I hope these are of use to you.

Thank you for all your contributions to our Facebook Page and please keep sharing them, as they to show that we are all in this together and promote the spirit of our Nyewood community.

Take the greatest care and stay safe,

Yours sincerely,
