Monday 11<sup>th</sup> May 2020

Dear Parents/Carers,

As we are sure you are aware, yesterday the Prime Minister announced provisional plans for the country in the gradual reduction of lock down restrictions. It was announced that, if it is safe to do so, some children may return to school from 1<sup>st</sup> June 2020 at the earliest, namely children in the Early Years, Year 1 and Year 6. We are writing to let you know that as we receive more information around this in the coming days and weeks we will ensure we keep you updated.

We would like to reassure all parents that any planned reopening of the school to wider groups of children, other than those of keyworkers currently attending, will only be put in place if the senior leaders and governors deem it safe to do so. If this was the case, it would be in a planned, gradual and safe way for the children, staff and families of those attending.

Please be assured that whether children return to school or remain at home we will continue to support their learning and well-being with those systems established in previous weeks.

Thank you for your continued understanding while we await the relevant guidance. Please continue to follow all government advice.

We remain incredibly grateful to staff who have worked at significant pace to provide the structure and work for pupils. We are also very grateful to parents and carers for your incredible support and many kind words as we all battle through these unprecedented times.

We wish everyone well over the weeks ahead.

Yours sincerely

Mr Jon Williams
