

Nyewood News

Quote of the month...

'Sometimes you will never know the true value of a moment until it becomes a memory.'
Unknown

What a year in our Nyewood Family!

It has been quite a year! One which I don't think any of us would have predicted back in September! That said, I would like to take this opportunity to thank the many parents and families who have shown their support during this incredibly difficult period. You have proven once again what a great community Nyewood is and how we all come together during tough times. It is a privilege to be headteacher at a school that really is in the heart of the community.

More than anything, I would like to thank the wonderful children of our Nyewood Family - each one of you has shone brightly and shown our Nyewood values in all you do.

Year 2 Leavers

I would like to send a final message to our Year 2 leavers. In a very different final year to your time at Nyewood CE Infant School, you have all shown what hard-working, caring and resilient members of our school community you have become.

It was super to see you all at our 'goodbye visits' over the last few weeks and I was blown away by your wonderful positivity and enthusiasm.

Throughout the year you have all worked so hard and now, whether you have been learning at home or working in school, I am certain that you are ready to embark on your next adventure. Each and every one of you should be incredibly proud of yourselves.

Well done Year 2 and good luck on the next phase of your learning journey.

Summer Holidays

As you know, the government have confirmed that schools **will not** remain open during the summer holidays for critical workers and vulnerable pupils. Food vouchers will be provided for all families eligible for free school meals.

We look forward to welcoming you back after the holidays on Friday 4 September 2020.

September 2020

It has also been confirmed that **all pupils will be expected to return to school in September on a full-time basis**. You should already have received a joint letter from both the Infant and Junior Schools outlining the measures we will be taking as well as the adjusted timings for the school day. Once again we do ask that you strictly adhere to these in order to support us in keeping all members of our Nyewood Family safe.

Home Learning

We have been very impressed with the quality of the home learning taking place during this time. Once again I'd like to thank you for support with this as I know it has not been easy - having to juggle working from home, home-learning, developing new skills, different ways of communicating with each other and different ways of working - we really do appreciate it and know it will have had a great impact!

It has been wonderful to be able to see the learning that has happened throughout this time shared on our school Facebook page and we also have a celebration of this in school for children to see on their return.

Final Message of the Year from Miss Wells...

Every member of our Nyewood Family has worked incredibly hard this year, in very difficult circumstances, and each one of you should be so proud of all you have achieved. When I walk around our school, look at our Facebook page and hear the stories from home, I see our school vision being lived out in every way and am so impressed with how far each child has come. As you all continue your journeys, either in a new year group in our Nyewood Infant Family, or in your new school, remember to continue:

'SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD.'

From our whole team we wish you all a happy and safe summer holiday and look forward to seeing you back in school on Friday 4 September for more fun and adventures!
