“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”

Tuesday 29 September 2020

Dear Parents/Carers,

As part of our on-going commitment to instil in children a love of reading we continue to work in school on ways in which we can promote this. This term we will be continuing our whole school reading incentive. This involves a reading tracker which all children have at the front of their home reading diary. This tracker is used to record how many days the children read each week, either at home with an adult or in school, (up to 1 stamp per day will be given by the teacher in school). When the children reach an increment of 5 reads, they will receive a sticker. Once their chart is full (50 reads) they will receive a certificate in Celebration Worship (currently via our virtual collective worship).

Reading with your child at home makes such a difference to their progress in reading so please do support with this as much as you are able. Reading regularly enables children to talk about ideas, ask questions, learn new vocabulary and most of all, instils a love of reading.

Thank you in advance for your continued support.

Yours sincerely,

The English Team
