“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”

22 February 2021

Dear Parent/Carers,

World Book Day

This year World Book Day is being held on Thursday 4 March and, whilst things are a little different, we remain keen to use this day to celebrate our love of books and how much we value reading here at Nyewood.

This year the World Book Day organisation have thought about how we can continue to celebrate the day with digital book tokens which will be distributed to our families nearer the day. We will also have a day 'off-timetable' both in school and at home and will be providing all sorts of World Book Day related activities which we would love for you to join in with. This will include, story writing, illustration workshops, stop drop and read and character and role-play activities.

On the day, we will post our World Book Day activities in the usual way on our MS Teams platform for all to enjoy. We will set an assignment that week asking you to share your World Book Day experiences and would love it if you uploaded your pictures, stories and creations.

If you have any queries about this, please contact the school office or ask your child's class teacher during their fortnightly phone call.

Yours sincerely,

The English Team
