'If you see someone without a smile, give them one of yours.'

Dolly Parton

Another super half term in our Nyewood Family

I can't quite believe where the time has gone as we head towards the final half term of this academic year. I am so proud of the achievements of every member of our Nyewood Family and with how resilient they have been. Our school motto, 'smiling, caring and learning together on a journey with God' has shone through.

Update on our wish list...

As you know, we have been working on providing the opportunities the children wished for following the period of partial school closure. So far, this has included the addition of our new school hedgehog, Herbie which was a real highlight this term! We have also had visiting stick insects and snails which were fascinating.

I have chatted with the children and they overwhelmingly told me how much they have enjoyed developing their drawing skills as well as spending more time learning outside. We will continue to look at these opportunities in our last half term - I am still working on the unicorn!

Early Years Class Worship

I do hope you have all had the chance to watch our EYFS class worships this term. It was wonderful to see how confidently the children in Holly, Cherry and Willow

Classes were able to share their learning. If you haven't had the chance to see these, please do look on your class blog page on the school website.

Coming Up...

We are very excited by the events coming up in this last half term. As much as possible, we will be sharing these virtually to make sure we continue to work together in our Nyewood Family. Some things to look out for are our class sports events, diversity day (including expressive arts and design week), World Environment Week and Body and Mind Week. We will keep you updated as to how these will be shared.

We are also very hopeful that our whole school transition day will be able to be held this year; on this day the children visit their new classes and teaching teams for the year ahead. This is due to be held on Wednesday 7 July.

Year 2 Leavers' Worship

Our Year 2 children have certainly had a very different experience during their time with us here at Nyewood Infant School. We feel it is very important to mark the end of their infant journey and will have a number of experiences to celebrate their time here during this last half term. One such special event is our Leavers' Service. Whilst this will be held virtually, it will be just as special an event for the children to share their memories and celebrate their achievements of the last three years.
