“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”

27th May 2021

Dear Parents/Carers,

To support our EAD week and the school's focus on Diversity, the **week commencing Monday 14th June** will focus on both these aspects and will have an International theme. This exciting week will be filled with a variety of activities for your child to enjoy, whilst helping them to learn about the world around them, particularly different countries and their cultures.

Each class will be allocated a country from around the world and we will spend the week learning about the customs and traditions of that country. The children may learn a traditional song, learn some words/phrases from the country's home language, look at the way the people from the country dress, investigate artwork linked to the country and read traditional stories together as a class.

To engage your children in the week, on **Monday 14th June**, we would like the children to come dressed up in an outfit that celebrates a culture or nationality. For example, this could be in a Spanish flamenco dress, a Scottish kilt or in the colours of a chosen flag. **If your child has PE on this day please send them to school with their PE kit in a bag.**

Then on **Wednesday 16th June**, we would like to give the children the chance to share something from somewhere they or a friend/family member have visited. This could be a postcard, a souvenir they brought or have been gifted or a photograph of them visiting somewhere new.

If you have any questions, please speak to your child's class teacher.

Thank you for your continued support and we hope your child enjoys this experience.

Yours sincerely

The EAD and PSED teams
