“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”

Monday 13 September 2021

Dear Parents/Carers,

I would like to take this opportunity to extend a warm welcome to you all at the start of the new term on behalf of the staff and governors. I do hope you had a good summer and are ready for this exciting new year. To those of you returning with children in Year 1 and Year 2 welcome back, it has been wonderful to see you all after the summer break, and to those families new to our school, a special welcome to our Nyewood Family.

Nyewood Church of England Infant School is a very special school and one which I feel extremely privileged to lead. It is our vision for all our children to be **confident, happy** and **independent learners** who take an active role **together in God's world**. We look forward to working in partnership with you to achieve this vision and make this an excellent year for each one of our children.

We are very proud of all that the school has achieved over the last few years, and are especially proud of the resilience the children have shown through some very challenging times. We are excited to work with the whole community to build on these achievements further in the year ahead. By working together, we can ensure that all children enjoy their time at our school, make excellent progress and leave us ready for the next phase in their education.

The children have already had a wonderful start to the new academic year and have shown us how happy, confident and hard-working they all are. I have been so impressed, especially in these ever-changing times, with how well they have come into school and engaged with the learning and experiences. A particular well done must go to our new Early Years children who have already settled in so brilliantly. We have many fun events and opportunities planned this year and we will do our very best to ensure every child feels safe, valued, supported and appreciated and has a successful and happy year at Nyewood CE Infant School.

I would like to take this opportunity to thank you all for your support for our Nyewood Family. I would also like to thank the staff for all their hard work in preparing the school and the children's learning for the start of the year. Everyone has done a great job!

As we move through this term we will keep you updated with any upcoming events and key diary dates via our school communication system. For key information on all aspects of school life, please do also continue to visit our website.

Thank you very much for taking the time to read this letter and thank you in advance for your support. I am excited to lead us forward in the next phase of our journey.

As always, the team at Nyewood is keen to work with you, so please do get in touch if you have any queries or concerns.

Yours sincerely,

A handwritten signature in cursive script that reads "A Wells".
