Nyewood News

An exciting Spring Term

We have taken part in many exciting events already this Spring Term and there is still much more to come! I am so proud of the children in our school, who have given their all to every experience and opportunity they have had so far. I know a particular favourite event that we have had has been our visit from 'Wonderdome'. It was so rewarding to see the children completely immersed in such a unique experience.

In addition to the school events, we are privileged that every day we get to see your children showing us their fantastic learning. In Early Years, I am always so impressed with how focussed the children are with their self-initiated learning. In Key Stage 1 (Year 1 and 2), I have been particularly amazed by how much their writing skills have developed recently.

I would like to thank each member of our Nyewood Family for continuing to show our school vision by smiling, caring and learning together on our journey with God. I am looking forward to us all living out this vision with the further events we have planned for the Spring Term.

KS1 class worships

A reminder that our Key Stage 1 classes will each hold a class worship this term. As part of this worship, the children are looking forward to sharing all of their fabulous learning with you. Please refer to the separate letter for further details.

Easter

You will see from the dates list that we are planning to hold our Easter Service on Monday 4th April. We will be sending out details about this service in due course and what this will look like for our families this year.

Upcoming dates for your diary...

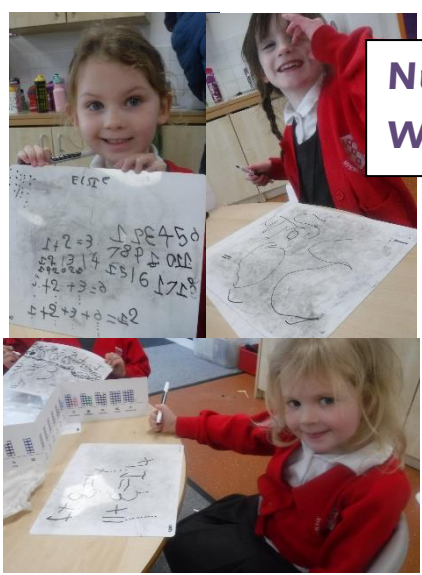

Please see the school dates list on our school website for key events for the spring term, as well as a reminder of our term dates and remaining INSET days.

[Nyewood CE Infants School - Term Dates and INSET Days \(nyewoodinf.co.uk\)](https://nyewoodinf.co.uk)

Thank you!

Thank you to all of the members of our Nyewood Family for your ongoing support this term, including our parents, children and staff. We really do appreciate all that you do.

Some of our favourite moments this term so far...

Number learning in Holly and Willow Class

Role play including Chinese New Year in Cherry Class

Shape and measures learning in Chestnut Class

Space and mathematics learning in Sycamore and Hawthorn Class

Space role play in Apple Class

Space and the 'Wonderdome' experience in Hazel Class
