Celebrating the Spring Term

What a fantastic Spring Term we have had! As a school we have enjoyed many events such as Red Nose day and the EYFS Female Role Model Celebration Day. I was also particularly impressed this term with how confident our children in KS1 delivered their class worships. The children were able to talk about their amazing learning as well as performing their wonderful singing of their favourite school songs and hymns. I am looking forward to the EYFS class worships in the summer term (see details below).

This term we have also recently celebrated our Easter Service. I am so pleased that our Year 2 children, as part of their last school year with us, were able to share their Easter Service in St Wilfrid's Church. I would like to take this opportunity to thank all the parents/carers who supported us with this visit and also to all of those parents/carers who were able to come and share this special service with us. Our children in Year 1 and Early Years were also able to share their own special Easter Service in school. A reminder that the staff have kindly filmed all of these services so that these can be shared with you at home. These are available to view on our school website.

I would like to say thank you to all of the members of our Nyewood Family for your ongoing support this term, including our parents, children and staff. We really do appreciate all that you do. Thank you for continuing to show our school vision by smiling, caring and learning together on our journey with God.

Early Years Class worships Summer term

Our EYFS classes will each hold a class worship in the summer term. As part of this worship, the children are looking forward to sharing all of their fabulous learning with you. Please see the school dates list for when these will be taking place.

Staffing news

We would like to let you all know that Mrs Spray, one of our teaching assistants in Early Years, will be leaving us shortly after the Easter holidays. Mrs Spray has been associated with our school for over 17 years! She will be missed by us all and we wish her well on her new adventures.

Upcoming dates for your diary...

Please see the school dates list attached and on our school website for key events for the summer term, as well as a reminder of our term dates and remaining INSET days.
