“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”

Thursday 7th December

Dear Parents/Carers,

Tapestry

In January we will be changing how we record the children's learning journey in Early Years. We will no longer be recording their learning in books and will be moving to an online platform called Tapestry. Learning that takes place in the classroom will be uploaded on the day as both pictures and written observations onto the platform. Tapestry is used by many schools and nurseries as a way of documenting learning and progress. Some physical learning, such as crafts or writing, we will continue to keep in their books but the majority will be uploaded on a day to day basis.

We will be connecting each child's account with a parent/carer at home, who will be able to see when learning has been uploaded. We will send out details in the New year about how to download the app and log in details. Each child's learning and information will be held secure between the school and the individual child's parent/carer. Please expect to see 1-2 'wow' moments a week recorded.

Children with permission to share media on our website will be able to have whole class posts as well as individual. Those who do not, will only have individual posts and their photos will not be included in whole class updates. Please speak to your teacher if you have any questions about this or if you would like to change your child's media permissions.

Yours sincerely,

Miss Perkins
