Dear Parents/Carers,

We have a child in school with a severe nut allergy and we therefore ask for your support in not providing lunches **with any nut products, including peanut butter or anything else containing nuts**. If a nut or any other food containing nuts drops on the floor, this could cause a severe problem even once the rooms have been cleaned after lunch.

If your child has a product in their lunchbox, containing nut products, for safety reasons we will remove it and return to them at the end of the day.

Kind regards

Miss A Wells
