Nyewood News

Quote of the month...

'Once in our world, a stable had something in it that was bigger than our whole world.'
CS Lewis

What a wonderful term in our Nyewood Family!

As we have taken part in our many exciting and special Christmas events over the last few weeks, I have been reflecting on what has been a truly wonderful term. I am so proud of the children in our school, who have given their all to every experience and opportunity they have had. From amazing phonics, to skillful gymnastics and intriguing science, the fun and learning has been endless!

I would like to take this opportunity to thank the staff, who have worked tirelessly to ensure the children have had such rich and high quality learning, our families who have supported the school in so many ways and most of all the children, who have made this term such a success.

It is such a credit to each member of our Nyewood Family that every one of you has continued to *smile, care and learn together on our journey with God.*

Christmas at Nyewood

We have had some wonderful Christmas events this year during which our whole Nyewood Family has shone!

Each class has shared their Christmas Worship with their parents and family members both in school and on film and what a fantastic job they did spreading the true message of Christmas. It was so special to see children from every class bringing the real 'magic' into school and wonderful that so many of you were able to share in this special time. We hope you also enjoyed the biscuits!

I do hope you all managed to enjoy the children's messages but if you have not yet had the chance, do visit our collective worship page on the school website to view the recordings.

This year we also enjoyed our Carol Service at St Wilfrid's Church. It was so special to welcome those of you who were able to attend, coming together as a school community, sharing in the joy of the season. I hope you all enjoyed the festive sing along as much as I did!

I would also like to take this opportunity to thank our fabulous fundraising committee who organised our super Christmas fair and our very special visit from Father Christmas in his grotto! Both events were very well attended and very much enjoyed! Thank you all who joined us for these; the money raised will really support us in enriching the children's experiences in school over the remainder of this year. We will share the final total raised in the new year!

Volunteer Request

We are looking for some willing volunteers to support our Nyewood Family.

We would love to welcome more volunteers into our school in the terms ahead and there are a number of ways you can get involved. We would love to have more volunteer parent/carers coming into the school. We would also really like to have some help looking after our outside learning areas and our school library. If you think you could help with any of these aspects of our school provision, please email in to the school office to let us know.

Upcoming dates for your diary...

Please see the attached dates list for key events for the spring term as well as a reminder of our term dates and remaining INSET days.

Wishing you all a merry Christmas and a happy new year!

Some of our favourite moments this term...

**Designing
and making
in Hawthorn
Class**

**Special
visitors in
Sycamore
Class**

**Woodland
learning in Holly
Class**

**Woodland wonder
with Willow Class**

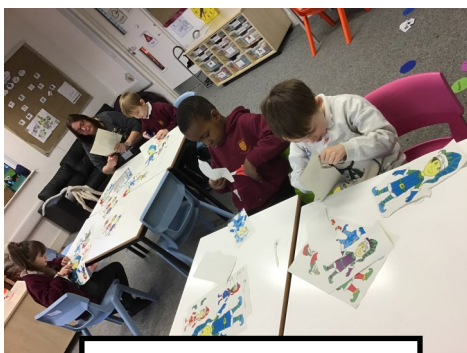

**Fabulous PE in
Hazel Class**

**In Cherry Class we
love to write!**

**Apple Class
Explorers!**

**Christmas in The
Orchard**

**Tree Surgery in
Chestnut Class!**
