“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”

Wednesday 1st May 2024

Dear Parents and Carers,

As a part of our science learning about animals, we are excited to have Zoolab come to visit our school on Monday 10th June 2024. Each class will have a 45-55 minute workshop, and they will get to meet, learn about and handle between 4 and 7 different creatures.

In Key Stage One this will help to consolidate our learning about different types of animals, where they live in the wild and what animals need in order to survive. In Early Years we will learn about taking care of animals in our world.

As a school we will be using some of our fundraised money to cover over £200 of this experience but we ask for a voluntary donation of **£3.20 per child** to contribute towards the remainder of this. Without your donations we may have to cancel due to constricting school budgets. Payments can be made via the MCAS app. If you require any assistance accessing the MCAS app then please contact a member of the Admin Team and they will be happy to help.

Best wishes,

Miss Perkins
EYFS Lead
