Friday 12 July 2024

Dear Parents/Carers,

If your child is a football fan and wishes to stay up and watch the historic event of England playing in the 2024 UEFA European Football Championship finals on Sunday night, then let them do so without worrying about getting up early in the morning! We would like to see the children in school, well rested and ready for learning, rather than tired, grumpy and not engaged - therefore on Monday 15 July school will start at 9.00am as normal, however you can bring your children in anytime up until 10am without getting a late mark.

Kind regards,

Nyewood CE Infant and Junior Schools
