“SMILING, CARING AND LEARNING TOGETHER ON A JOURNEY WITH GOD”

7th January 2025

Dear Parent/Carers,

Sussex Underwater Day

We have been lucky enough to secure a day in school with the local charity ‘Sussex Underwater’. They are a group of passionate, local people who want to make everyone fall in love with the local sea in Sussex. They dive locally literally just off the beach in Bognor and have filmed some incredible scenes under the water. Their passion is to inspire future generations to understand how precious our local sea life is and what we can do to help preserve it.

Two of their team are coming in to school for the whole day on Friday 31st January to work alongside every year group. This will involve a talk from them and showing the children some of their underwater filming (which is fascinating!). Take a look at their website or Facebook page. They will also aim to create a large 3D seascape of Bognor’s reef to be a display across one wall of the hall in the day, with the children contributing the art work to make this.

It is then hoped that their team will join us in the Summer term on our annual beach trips to do some ‘Beach school’ activities.

In order to be able to fund this extra-curricular day plus to be able to make a financial donation to the charity to enable them to keep promoting their message, we need to charge £1.50 per child. Please can you go to MCAS in order to pay this amount. The school is unable to bear the cost of this special day out of usual funds, so please make every effort to pay this amount so that the day can go ahead. Please come and speak to the school office in confidence if you are unable to make this contribution.

We look forward to this exciting day and showing you the seascape that the children create.

If you would like to look at their website or Facebook in advance, these are the links:
